

July 2, 2020

**To: Dennis Pauli, District Administrator**  
**From: Joe Donovan**  
**Re: Re-entry survey information**

As promised, the following are the top-level results of the recently conducted re-entry survey as part of the Rock County coalition. Please note that these results are for respondents who indicated they lived in your district. Moreover, the results below are for respondents who provided information for all of the required questions and hit "submit" at the end of the survey.

Please let me know if you need any additional analysis. You can reach me via email at [joe.donovan@donovan-group](mailto:joe.donovan@donovan-group) or by phone or text at 414-418-0512.

Thank you for the opportunity to work with you.

---

**The total number of completed surveys for your district:** 1334

**1) Please check all of the following that apply to you.**

I have school-aged children (as of fall 2020)	71.44%	953
I have preschool-aged children (as of fall 2020)	14.62%	195
I have children who currently attend a public school (as of fall 2020)	68.44%	913
I am an employee of a public school district	13.19%	176
I am currently a student of a public school district (as of fall 2020)	1.87%	25
Other	1.42%	19

**2) Please select the grade range of your child(ren). Select all that apply based on the grade your child(ren) will enter in fall 2020.**

Pre-School	15.97%	213
Elementary School	56.60%	755
Middle School	30.96%	413
High School	35.31%	471

**3) My child participates in co-curricular activities.**

Yes	66.88%	830
-----	--------	-----

No	33.12%	411
----	--------	-----

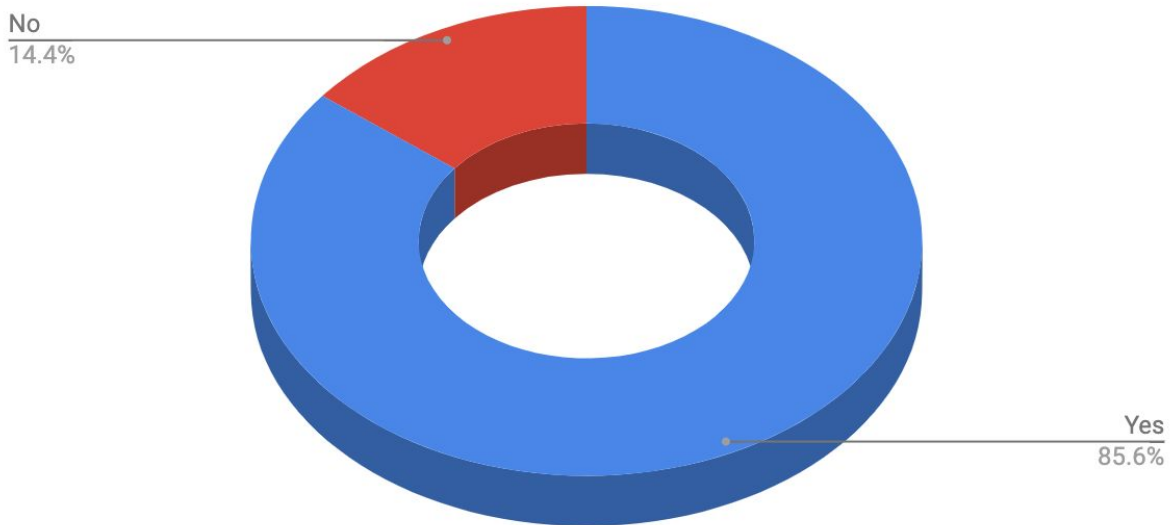

**4) My child rides a bus to and/or from school.**

Yes	53.57%	667
No	46.43%	578

**5) If our school board and administration, after considering various sources of information, determines that it is permissible to allow in-person instruction, I would be comfortable having my preschool or elementary school-age student physically go to school in the fall.**

Yes	82.27%	668
No	17.73%	144

**If our school board and administration, after considering various sources of information, determines that it is permissible to allow in-person instruction, I would be comfortable having my middle or high school-age student physically return to school in the fall.**

**6) If our school board and administration, after considering various sources of information, determines that it is permissible to allow in-person instruction, I would be comfortable having my middle or high school-age student physically return to school in the fall.**

Yes	85.59%	606
No	14.41%	102

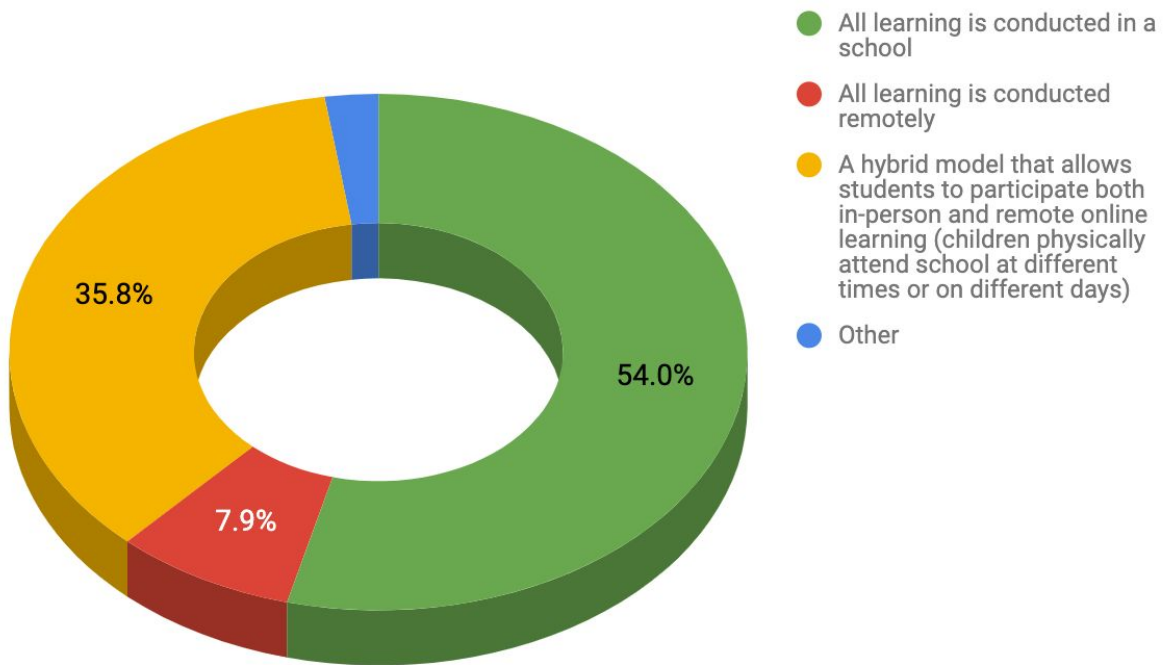

**7) As it relates to students physically returning to school, which factors would help you feel more comfortable? Please check all that apply.**

Wisconsin Department of Health Services and Centers for Disease Control and Prevention guidance being followed	63.87%	852
Symptom checks required for every student before entering school	65.22%	870
