

FOUR-YEAR-OLD KINDERGARTEN

Feb. 18, 2022

Dear Parents and/or Guardians,

The information below is intended for families that have a child who will be **four years old on or before September 1, 2022**, and who is ready to begin 4-Year-Old Kindergarten for the 2022-2023 school year. This letter is being mailed out, will be on Facebook, on the district website, and will be sent out via Blackboard. To utilize the links you will need to access an electronic version.

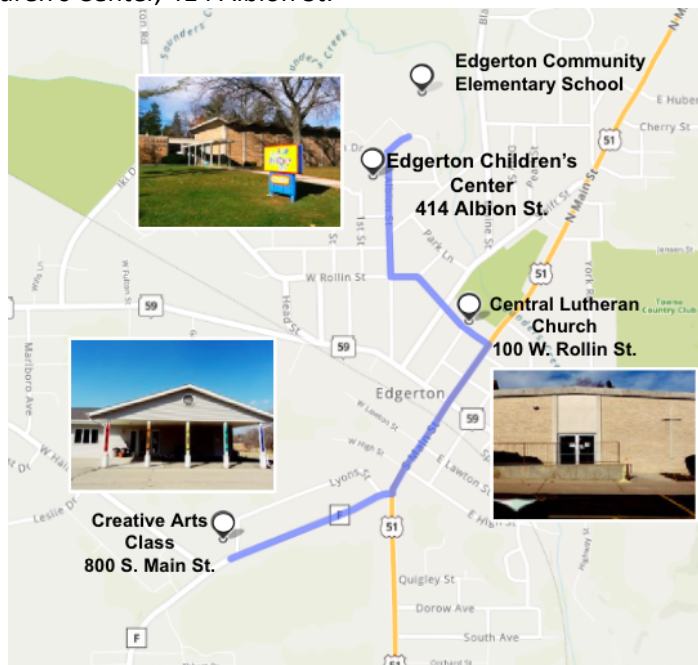

4K OPEN HOUSE

Our three 4K centers will be hosting Open Houses on **March 8th from 5:00 PM to 6:30 PM**. Parents/Guardians of children who will be 4-years-old on or before September 1, 2022, are invited to come meet the staff and familiarize themselves with each 4K site. Please see below for the locations of our 4K sites and COVID Precautions.

Our COVID19 Precautions include:

- Only parents/guardians are to attend, no children
- Only **2** adults per student
- Masks will be required

4K SITES: Central Lutheran, 100 W. Rollin St.
Creative Arts Class, 800 S. Main St.
Edgerton Children's Center, 414 Albion St.

4K REGISTRATION

Step One:

Online 4K Registration will be available beginning on March 15th for students who will be 4-years-old on or before September 1, 2022 and who are ready to start 4K. Please visit the Edgerton School District website at <https://www.edgerton.k12.wi.us/registration> to complete the online 4K registration for the 2022-2023 school year.

Placement into centers is NOT on a “first come, first served” basis.

You will see the following on the computer screen...

Online Registration for the Edgerton (WI)
School District

Use the top OLR (labeled Continuing Students) if you have students already in the district. You will be directed to your already established parent portal.

Use the bottom OLR (labeled New Students) if you are brand new to the district and DO NOT have any students already in the district.

If you feel that you will need assistance with the online registration you may call (608) 561-6103 or (608) 561- 6013 to schedule an appointment.

If you need access to technology you can use a computer at the Edgerton Public Library. Please check their website or call for details. <https://www.als.lib.wi.us/EPL/> (608) 884-4511

Step Two:

Birth certificate verification: A very important portion of getting your child registered for 4K includes having a staff member see and verify an **ORIGINAL** birth certificate. Actually, the registration process isn't considered complete and your child is not placed at a site until this occurs. We will be setting up an opportunity for parents to participate in an event to present the original birth certificate to our staff for verification.

April 14th, 9:30 AM - 5:30 PM

At the Edgerton Public Library

Step Three:

Immunizations: This is another important part of the process. Immunization records can be uploaded during the time of registration, or provided when birth certificates are verified.

Step Four:

At the end of April, it will be determined which 4K site a student will be placed at, and parents will receive notice from the district at the beginning of May. Please keep in mind, when you complete the preference form and indicate you would like bussing for your child, you are NOT registering for bussing. This information is helpful in determining placement. If you requested bussing, a link to the bussing registration form will be included in the placement email. At a later date, you will be notified once you are able to login into your Infinite Campus Parent Portal to pay an assigned fee of approximately \$20. **In order for your child to be placed at a 4K site, you must have presented an original of your student's birth certificate to a School District representative by Thursday, April 21st.**

Congratulations, you have completed the 4K Registration process, but read on to find out what's next.

Please note that 4K school pictures are taken in the fall at each 4K center.

In August, you will receive more information and paperwork from your child's 4K site.

Further Information: If you are interested in more information regarding our 4K program, you may find it here...

[Edgerton School District 4K Information](#)

Special Note:

Newly added parameters have been established for our 4k program which state that children should only attend 4K for one year, the year immediately prior to Kindergarten. With this in mind, as the start of the school year comes closer, if you have concerns that perhaps your child is not ready to start 4K during the 2022-2023 school year and would benefit from an additional year of growth and development, please call Alice Redalen, Edgerton Primary Principal, at (608) 561-6012 or Sonia Salgado-Serafin, Edgerton Primary Administrative Assistant, at (608)561-6013.

For more information about the 4K registration process, please contact Kathy Pierce at (608) 561-6103 or Sonia Salgado-Serafin at (608) 561-6013.
