

Student School Supply Lists 2022-2023

Below are the supply lists for Students at Community Elementary Schools:

- Crayola and Elmer's products are always preferred for higher quality and longevity
- Plain wooden pencils work best. We recommend the Ticonderoga brand if possible.
- Gym shoes with white bottoms are required for ALL students (No need to buy new)
- Students are encouraged to bring their own refillable, spill proof water bottle, labeled with their name
